'	This is to certify that I have examined th	he foregoing application, and do hereby grant the same, subject to the
follo	wing limitations and conditions: This	permit is issued subject to all existing
rigl	nts on the source. It is	understood that the amount of water herei
obta	ained under this permit wi	allowance and that the final water right ill be dependent upon the amount of water
acti	ually placed to beneficial	l use. It is also understood that this
		nable lowering of the static water level ny other ground water development in the
are	a. A substantial weir or	other type of measuring device must be
		f water use kept. The well shall be
egu.	ipped with a 2-inch opening	ng and an air line for measuring depth to
wate	er. If well is flowing, a	a valve must be installed and maintained
to j	orevent waste. The State	retains the right to regulate the use of
t <u>he</u>	water herein granted at a	any and all times.
